 9592\_roboticsfrc

# Welcome to Team 9592!

## What is FRC?

The Blue's Bots n' Bolts participate in **First Robotics Competition (FRC)**, where teams of high school students with limited time and resources are challenged to build successful robots for the game of the year, make alliances, fundraise, and expand an appreciation for science, technology, engineering, arts, and mathematics (**STEAM**), within our community.

## Skills & Development.

Our team of **high school students** recognize the importance of innovation, problem solving, and the development of STEAM skills that can be applicable in everyday life and their future endeavors. The Blue's Bots n' Bolts have multiple divisions to ensure students can pursue their passions while learning to collaborate with each other.

- MEDIA & DESIGN
- BUSINESS & OUTREACH
- CONSTRUCTION/ BUILD
- DRIVE TEAM
- SAFETY
- PROGRAMMING

During the offseason, we plan **initiatives & fundraisers**, and support students in the development of STEAM subjects within our school, **Timmins High & Vocational School**, and community, since we are the **Northern most FRC team in Ontario**.

## Why Sponsor?

There are numerous ways to support a FIRST® team, but **sponsorships are essential for success**. We require funds for various expenses like **travel fees, robot parts, tools, and equipment**. Sponsorships provide the financial support necessary to cover these expenses, ensuring that the team can participate in competitions. Thanks to sponsors providing crucial financial, technical, and networking support, our team can thrive.

## Team Awards

- Rookie Inspiration Award (2024 – ONT District Georgian Event)
- Rookie All Star Award (2024 – ONT District North Bay Event)

Any **cheques** or **donations** must be made out to our school, **Timmins High & Vocational School**. Our address is **451 Theriault Blvd, Timmins, ON P4N 8B2**. Charitable tax receipts can be issued for donations of **\$20.00 or more**, please connect with us if a tax receipt is needed beforehand.

## How To Support!

Although our team relies on **monetary contributions** in order to perform to our fullest, there are numerous other ways a sponsor can help us!

- **Donating materials.**
- **Providing discounts for materials.**
- **Job-shadowing opportunities.**
- **Mentioning our team in newsletters or on your website.**

Since **2024** is our **Rookie** year, these funds help to ensure our success in future years and support our developments thus far.

## Contact Us

Our team's **website** can be found at <https://team9592.odoo.com/>.

**Email:** [roboticsatthvs@dsb1.ca](mailto:roboticsatthvs@dsb1.ca).

**Instagram:** [9592\\_roboticsfrc](https://www.instagram.com/9592_roboticsfrc).

If you ever require more clarification, **don't hesitate to message us** and we will get back to you promptly!

# Budget Breakdown

## Team 9592: Blue's Bots n' Bolts Projected Operating Budget (2024-2025 Season)

|  |                 |                                       |                 |
|--|-----------------|---------------------------------------|-----------------|
| <b><u>Build Season Expenses (incl. competition spares)</u></b> |                 | <b><u>Administration Expenses</u></b> |                 |
| Smart Vision and AI Equipment                                  | \$1,000         | Teaching/Workshop Supplies            | \$1,000         |
